Central Bank of Bosnia and Herzegovina Announces a Call for Papers

2023

In order to stimulate research and innovation in Bosnia and Herzegovina in the field of financial sector development, the Central Bank of Bosnia and Herzegovina (CBBH) announces a call for papers. Our aim is to act as a medium for dissemination of high-quality research in the area of financial sector development, by organizing rounds of seminars at which the selected research will be presented, and by publishing the papers on the CBBH website. Researchers from academic and policy-making institutions from Bosnia and Herzegovina and abroad are invited to submit the paper proposals.

Interested authors should send their proposals for research papers electronically, in the form of concept notes for planned research or extended abstract for papers that are underway or finished, by e-mail to call_for_papers@cbbh.ba. The deadline for the concept notes/extended abstract is **9 June 2023**. After a blind review, the accepted authors will be notified no later than **20 June 2023** and requested to submit their full papers by **31 July 2023**. The papers will be presented at a series of seminars in Sarajevo during the second half of **August 2023**. The mode of seminars, live or webinar, will depend on various factors, and is to be decided upon at later stage of the process. If accepted, after addressing the reviewers' comments, papers should be submitted for publication as a working paper at website of the CBBH by **the end of August 2023**.

The papers submitted could be related to the following topics:

- (i) Banking;
- (ii) Nonbank finance;
- (iii) Capital markets;
- (iv) Financial system infrastructure;
- (v) Monetary policy;
- (vi) Household and business finance, and;
- (vii) Balance of payments.

Papers submitted for this program shall not be submitted for publication elsewhere, either prior to submission or while under consideration at the CBBH.

The Concept Notes shall include:

- Full name of all authors and the primary affiliation for each author (the institution where the majority of their work was done).
- Title and specific reference to the above topic(s).
- A short summary of the main idea of your proposal, rationale behind the research and expected conclusions.
- A concise description of the proposal, with defined research questions and objectives, data and methodology and tentative findings, if applicable.
- To be of maximum length of 800 words.
- To be written in English.
- Guidelines for full papers will be available on CBBH website.
- For all enquiries please contact the Administrator at call_for_papers@cbbh.ba.
